Dear Brian:

Congratulations on receiving a Jurors' Award for the body of your work in "Stretch-A-Sketch." The juror was pleased to see such high quality work, and our viewers are equally impressed.

At the close of the "Stretch-A-Sketch" show, I will be sending you a copy of the exhibition brochure which contains information on all the pieces in the exhibit (our budget does not allow for a catalogue at this time). In addition, you will also receive copies of all publicity on the show, and any unused black and white photos you may have sent us.

Your award in the amount of \$175 is being processed, and you should receive it shortly.

Again, congratulations, and thank you for your contribution to this exhibition.

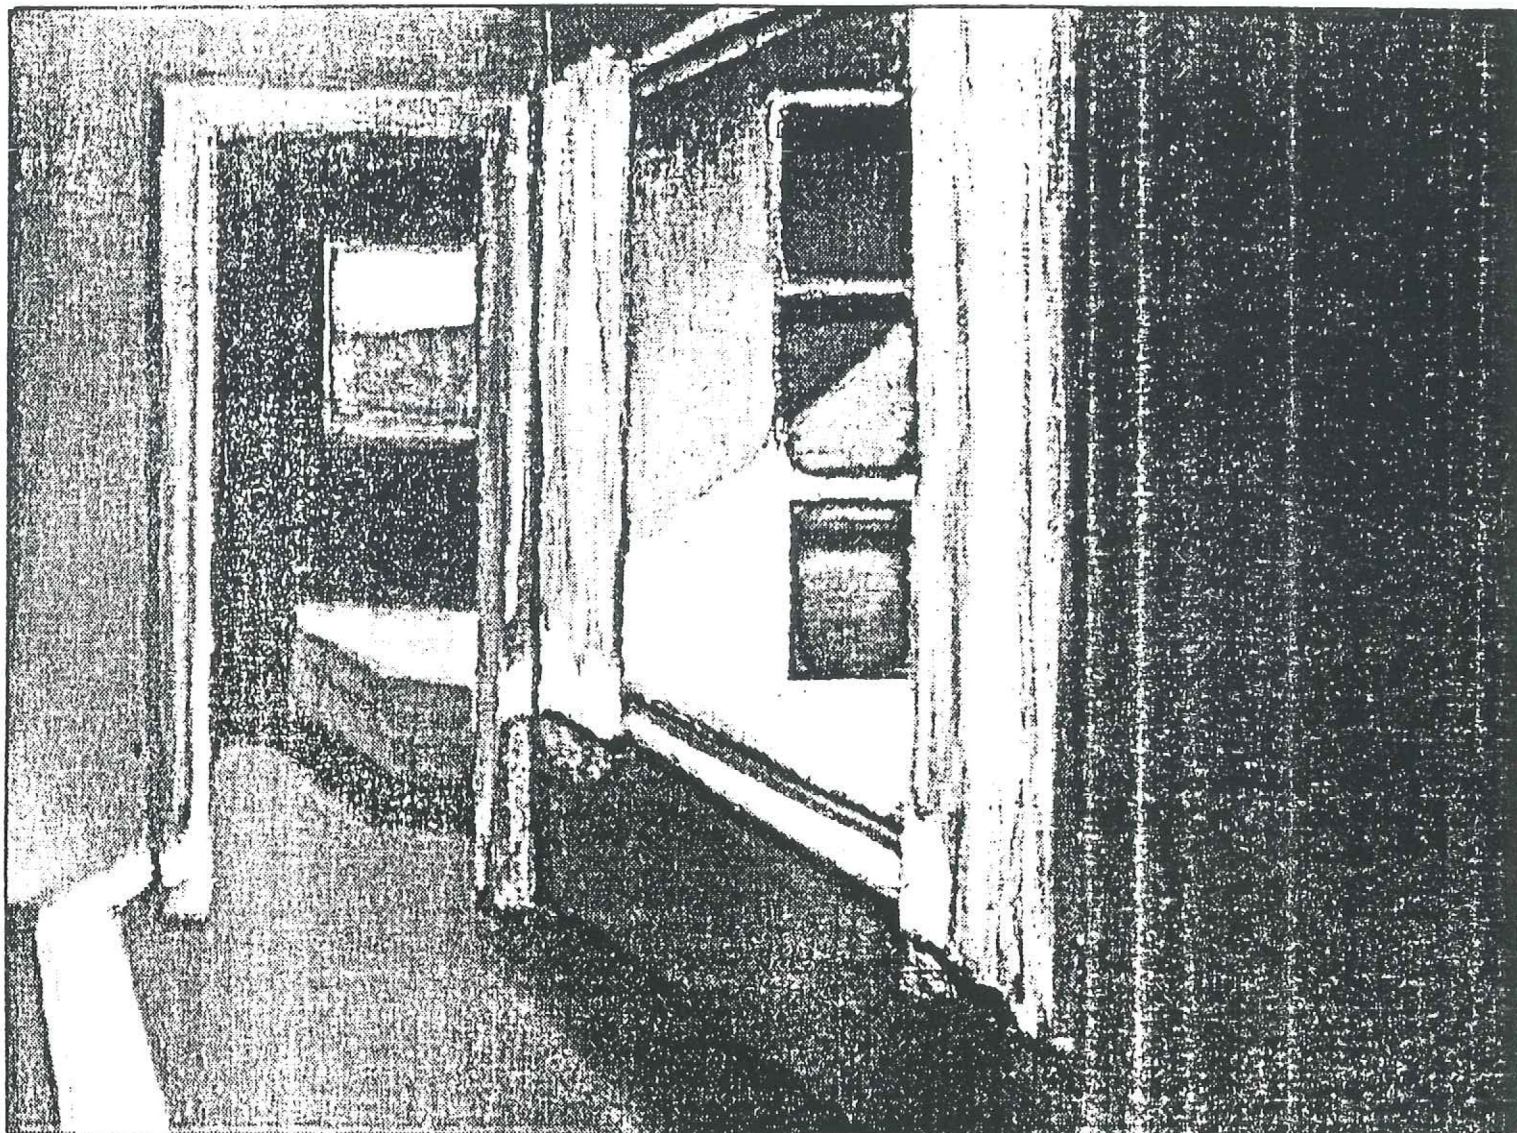

Best regards,

Jeffory Morris
